

# ADP-BT-AU-2X1 - Dante Adaptor

## Tekniske data

|                    |  |
|--------------------|--|
| Audio Codecs       | : -  |
| PoE                | : -  |
| LAN                | : -  |
| Software, app      | : -  |
| Resolution         | : 24 Bit   |
| Frequency range    | : 2.4 GHz ISM band (2,400-2,483.5 MHz)                       |
| THD                | : -  |
| Channel separation | : -  |
| S/N ratio          | : -  |
| Transmitting power | : -20 dBm (0.01 mW) to +20 dBm (100 mW)                      |
| WLAN               | : -  |
| Bluetooth          | : Bluetooth V5.0 BT specification according to Bluetooth SIG |
| Operating range    | : -  |
| Profiles           | : A2DP (aptX, AAC) and HFP                                   |
| Codecs             | : -  |
| Power supply       | : PoE  |
| Width              | : -  |
| Height             | : -  |
| Depth              | : -  |
| Weight             | : 70 g   |
| Connections        | : 1 x RJ45   |
| Other features     | : -  |
