

## UG-1094/U - BNC Socket

Single-hole BNC jack, 50 Ohm,  
up to 10 GHz.

## Tekniske data

|                              |                    |
|------------------------------|--------------------|
| Description                  | : single-hole jack |
| Type                         | : BNC              |
| Quantity                     | : 1                |
| Features                     | : 50 Ohm           |
| Colour/colour coding         | : silver           |
| Power rating                 | : -                |
| Insulating resistance        | : -                |
| Dielectric strength          | : -                |
| Certification                | : -                |
| Pole number                  | : -                |
| Cable inlet                  | : -                |
| Suitable cable cross section | : -                |
| Connection                   | : -                |
| Strain relief                | : -                |
| Cable bending protection     | : -                |
| Stereo                       | : -                |
| Mono                         | : -                |
| Switches                     | : -                |
| Material                     | : metal            |
| Central fixing               | : -                |
| Contact type                 | : -                |
| No. of contacts              | : -                |
| Contact width                | : -                |
| Contact distance             | : -                |
| Admiss. ambient temp.        | : -                |
| Dimensions                   | : -                |
| Diameter                     | : -                |
| Length                       | : -                |
| Weight                       | : 7 g              |
| Other features               | : -                |
