

## LR-1000U - U Bracket for LR-1000

The components of the L-RAY/1000 are now available individually. They allow for a ground-stacked configuration or suspended installation of the mid-high range units directly at the mounting frame without subwoofer cabinet.

U-bracket

- This U-bracket allows for an upright installation (ground-stacked configuration) of the L-RAY/1000 system
- The mid-high range unit can be tilted by  $\pm 15^\circ$
- Supplied with mounting and adjusting elements
- Ground-stacked configuration with L-RAY/1000 (recommended distance tube: KM-21367)
- To be mounted onto a stand

The perfect addition for the L-RAY/1000 system from IMG STAGELINE.
