

EUL-2SUB/SW - PA Subwoofer

This series of speaker systems including subwoofer from MONACOR sets standards in the modern PA technology:

high-quality lacquered cabinets of a perfect design, lightweight but robust and of high power capability, with an amazing sound and a high efficiency, the EUL-2... with professional 100 V technology. Real PA speaker systems for versatile applications at a very attractive price.

Subwoofer in 100 V line technique

- High-quality cabinet with durable PU coating
- 30 cm (12") bass speaker for a deep and dynamic bass reproduction
- SPEAKON connections (input and sat out/par. out)
- The design and high efficiency perfectly match the EUL-2/SW, but it is also suitable as an addition to many other 100 V systems
- Built-in crossover network (low-pass) allows for an almost unlocatable bass
- Please ensure that the 100 V amplifier provides sufficient power capabilities!

Matching adapter piece for speaker system PAST-28/SW is available at option.
